

Walton Firs Activity Centre

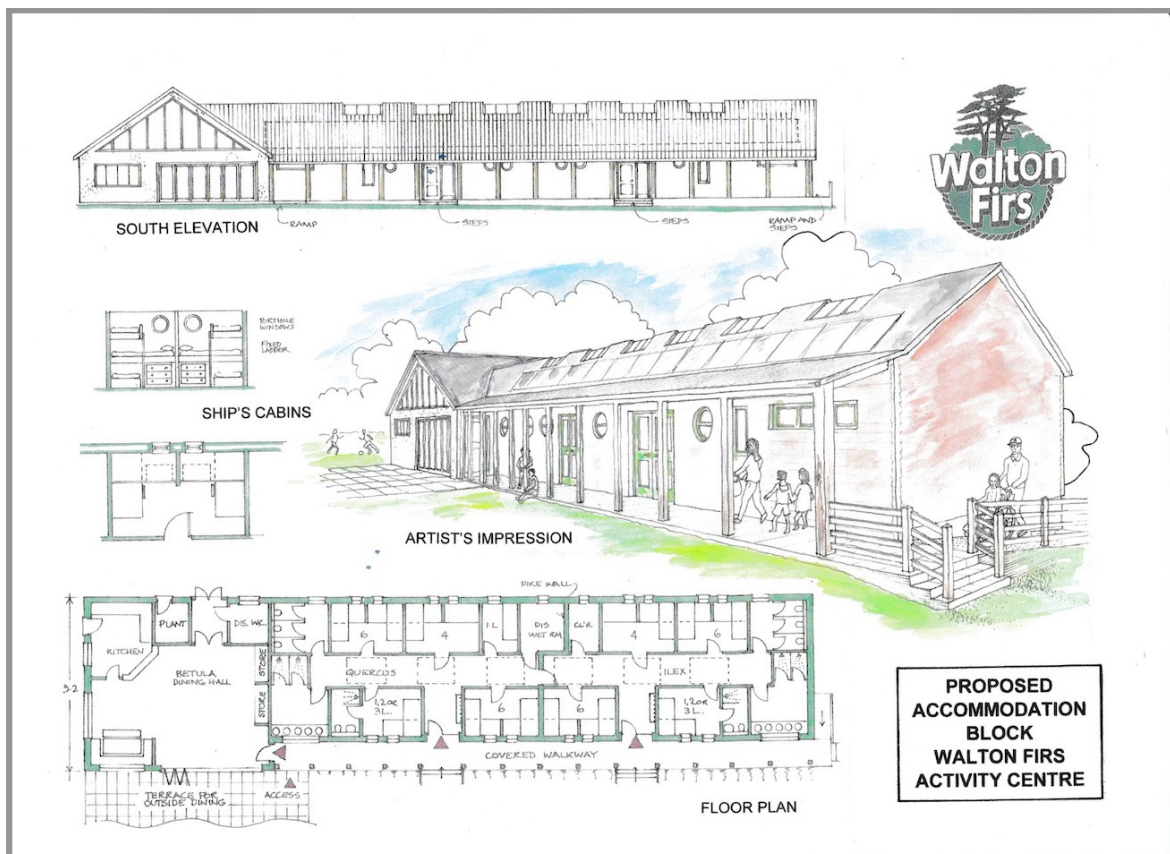

Wilman Lodge Development

Walton Firs already supports 50,000 young people every year offering outdoor adventure, camping, bush crafts and team building. We develop confidence, skills and leadership for all. Youth groups, schools, nurseries and local people benefit from the great outdoors close to town and city. We are doubling our area in 2023. Willman Lodge will be a new purpose-built facility offering:

- ❖ Top quality accommodation for youth groups and schools;
- ❖ A community hall for clubs, meetings, clinics and culture;
- ❖ Full catering facilities and full access for disabled people;
- ❖ A sustainable design generating surplus energy; and
- ❖ An outside terrace looking out onto the Activity Centre.

It will be a green building in a green space, and a great asset to Elmbridge and beyond.

How can you help?

To build and equip Wilman Lodge we need to raise £800,000. You can help by:

- ❖ Supporting our bid <https://yourfundsurreyproposals.commonplace.is/>
- ❖ Donating to our appeal at www.waltonfirs.co.uk
- ❖ Letting us know your ideas for Willman Lodge at info@waltonfirs.co.uk

Thank you
